14 DAY CHIMP AND GORILLA SAFARI TO UGANDA AND RWANDA

Program highlights:

- On these special departures – experience the thrill of gorilla trekking in Bwindi, Uganda AND Rwanda's Volcanoes National Park.
- Uganda, "The Pearl of Africa", is situated astride the Equator and boasts a wide and diverse landscape - from rugged, snow-capped mountains to the vast flat lands.
- Mountain gorilla trekking in Volcanoes National Park (Parc National des Volcans) is by far Rwanda's major international attraction. After the release of the feature film, *Gorillas in the Mist*, about the late Dian Fossey's pioneering work habituating the gorillas, interest in gorilla trekking reached new heights.
