

We arrived at Ngorongoro Crater where we stayed at the Serena Lodge for 2 nights. The location and views from our room were stunning. The room was basic, clean, comfortable. The meals were combo buffet/a la carte and felt a bit herdish with all the tourists. The food was good. There was nightly entertainment.

The crater experience was great - tons of baby animals from baby hippos, lion cubs, warthog babies, zebra toddlers, elephant babies nursing, to wildebeests giving birth in front of our car. This is the most vehicles we ever saw on our trip, and they were at most 10-15 cars ever at one point. And that was once or twice. The views are amazing, the animals are spectacular, and the drive is overall fantastic.

We will definitely come back and bring the kids. Thank you to everyone who took care of us, who helped with the planning of the trip, who ensured our safety, and who spoiled us rotten on the Amazing African Adventure. Cheers to a great team!!!

We had an unforgettable, superlative safari/trip to Tanzania. From the time we landed, to the time we left, every small detail was taken care off.

The country of Tanzania & its people are just wonderful, friendly, hospitable & welcoming. Our guide, Mohammed, was superlative, in every way, courteous, always helpful, extremely well informed & always went out of his way to make our trip most enjoyable.

The accommodations (Lake Manyara Serena, Serengeti Sopa, Ngorongoro Sopa and Tarangire Sopa) and hospitality staff were superb. The game viewing was just fabulous! The only regret, our trip ended too soon!

Thank you so much to you & AAC for arranging this trip.

Sincerely,
