

Wow! Such a fabulous trip. We were very well taken care of throughout our 2 weeks. Thank you for your excellent planning! Overall we had a great experience - there are just a few things I would do differently.

The Giraffe Manor was unbelievable - having the giraffes come to our window in the morning and then poke their heads in at breakfast was incredible. The Manor itself is beautiful and the service and food were really good. But there is not a lot to do aside from interacting with the giraffes a few times a day. The Karen Blixen Museum was nice and we enjoyed the elephant nursery but those two activities took only half a day. The guide and driver were excellent. It was my idea to spend three nights there and it was one too many. We had one day with nothing to do. So my feedback is that 2 nights (one day) at the Giraffe Manor is just right.

We had an amazing time, thanks to you, Saskia and the rest of your staff. We loved the trip, the accommodations (Solio, Sasaab, Sala's and Giraffe Manor), our guides and spotters, and of course all of the incredible animals we saw. We really don't have words to express how much we loved the trip.

Then off to Giraffe Manor. To be honest, I thought it might be a bit cheesy, but I was so wrong. We had such a delightful time, feeding and kissing the giraffes. It is amazing to see those beautiful animals up close and personal! Meeting and eating with the other guests was also great fun, sharing experiences and looking forward to those yet to come. It is truly a unique place, and we loved that it is small and so personal. We also visited the Giraffe Center.

To Giraffe Manor - What a wonderful introduction to Kenya! The Kelly room was spectacular and the atmosphere was magical with the giraffes. The rose petals on the floor and bottle of sparkling wine were beautiful and a very special way to mark our anniversary. And, we had our first taste of Amarula!
