

We had another wonderful trip to the Maasai Mara.... We saw lots of animals, action, spent a wonderful week with our dear friend and guide, Samson and were treated with warmth and love from all the folks at the Mara Intrepids camp.

Your ground team at the Nairobi Airport – they are fabulous! They greet us as we get off the plane, have their own shuttle that is waiting for us, go right to the front of the lines and make this entire process effortless for us. They are very professional and do a wonderful job.... We hope you continue to work with them.

In Nairobi - We had Newton as our driver..... he has been with us in the past. He is so knowledgeable and has wonderful attention to detail. We look forward to seeing them each year.

Intrepid Camp..... Our second home. The people there are so warm and gracious.... Really making us feel special and welcomed. The Manager, the chief Chef Tom and, of course, Samson, all met us at the airport to greet us as we landed in the Mara.

Trekking to see the gorillas and staying at the Sabyinyo Silverback Lodge was the BEST part of the trip! I have nothing but glowing praise for the Lodge and the experiences trekking to see the Golden Monkeys and the glorious gorillas. Amazing to be able to get so close to these animals! We were blown away by the experience. The managers at the lodge were a lovely couple who were so welcoming. Everything worked perfectly and the food was excellent.

Again, I have to tell you that our driver Sam (don't know his last name) was outstanding. He was an excellent driver, answered the endless questions we had about Rwanda, gave us great advice in many situations and somehow arranged for us to get on the treks we wanted. He went above and beyond in all situations and we feel fortunate to have had him as our driver.

Thanks again Ian. Who knows we may be in touch again in a few years...I want to go to Botswana!
