

We had an absolutely incredible trip that was beyond my imagination. Having McKenda as a guide was incredible. He is so knowledgeable. On a drive through the Tarangire, he spotted a leopard in a tree. How he spotted the leopard, I have no idea, but there it was. McKenda explained so much to us about the animals, the terrain, the country.

This trip certainly is among our top 3 trips ever (ranking right there with China and Morocco).

Many, many thanks for all the meticulous planning, guidance, lists, etc. etc. All made for a simply spectacular trip.

Kitela Lodge - Wow! We had just grown accustomed to the bucket shower, two flushes a night, and elephants outside our tent and here we were in the plush accommodations of Kitela Lodge. It was the perfect stop in the middle of the tented camps. Simply divine.

We appreciate all you and the African Adventure Company did to facilitate such a wonderful trip. We are most grateful. And we will be sure to make referrals whenever opportunities present themselves.

Best,

Hello Kyle -

First - I will certainly recommend The Africa Adventure Company to others. We had a wonderful trip!

Our safari guide Jabshir was as good as they come - simply outstanding in every way. He made the trip a wonderful experience and he was a true joy to be with. (And he had to put up with hours of endless jokes!!) We cannot recommend him highly enough, and that comes from previous experience on another safari.

Our accommodations were fine and we really enjoyed the Serengeti Shared Explorer Camp.

I was so pleased to experience the good will that the people of Tanzania had for Americans. I really didn't know what to expect. They are a wonderful, welcoming country. This is something that many of our own countrymen don't realize or appreciate. With all of the crazy things happening in the world, Tanzania was a tranquil, beautiful and joyful country to visit.

Well done.

Best wishes,

Hello Elena,

Well.....it has taken me a bit to find time to write you back about our trip, but what a trip it was!!

We thoroughly enjoyed our visit to Africa, and can't thank you enough for the amazing organization. We were very impressed always having a guide to help us right from our touchdown in Nairobi until our departure two weeks later. Being in unfamiliar surroundings, it was so nice to have someone always there to show us the way.

We have some amazing pictures, a few of which I am sending separately from my ipad, to remember our spectacular vacation.

Thought I'd give you some feedback about the different places we stayed:

1. Tortillis – Accommodations were amazing, very clean, people very friendly, location was fabulous with the watering hole right out back (we enjoyed watching the animals coming for a drink, as we had our own drinks in the lounge haha).

2. Maramboi Tented Camp – We loved the location of the camp amongst the animals, and especially the pool area with happy hour each day. Loved sitting watching the animals while sitting by the pool having drinks and appetizers before dinner. Food was quite delicious.

3. Neptune Exploreans – Now this was spectacular!! From the greeting from the owners/staff when we arrived, to the beautiful cottages we stayed in, to the fun loving staff, to the fabulous room service with appetizers and drinks delivered right to our balcony, to the jaw dropping views at the pool, we thoroughly enjoyed our stay at Neptune. Wish we could have stayed longer! This is probably the nicest resort we have ever stayed in! Food was excellent also.

Just wanted you to know we had an amazing time! A trip we will never forget! Thanks again for all of your help in the planning process, and the execution! It went seamlessly!

All the best
