TRAVEL WITH
Purpose
2019

“ There is a purpose that drives everything we do – a shared passion for the natural world and wildlife, and an urgent need to conserve some of the most remote and pristine places on Earth. ”

Introducing our 2019 portfolio of eight **life-changing**, ‘purposeful’ journeys – crafted to offer guests access to unique and privileged, behind-the-scenes conservation and community projects run by ourselves and our partners.

We have been creating life-changing journeys such as these for more than 35 years, and our ‘purpose’ today is stronger than ever when it comes to our dedication to conserving and restoring Africa’s wilderness and wildlife.

All proceeds from these journeys will be channelled back to the conservation and community projects and partners that we’ll be visiting.
