NAM15Desert Dune**Trip Report:**

Hello Alison and crew,

Oh My God!!!!!! Why did I wait so long to take this trip? ! ?

I could go on and on for pages. Absolutely spectacular!!! We are so happy with the tour we took and all the details involved. Wilderness Safaris does an outstanding job. You are definitely partnered with the right company.

Our guide, Jeremia Mwapopi, was incredible. We simply could not have had a better guide. The lodges are out of this world from every angle - amenities, locale, staff, food and drink, comfort - world class! Then there is the Hansa Hotel in Swakopmund - one of my all time favorite hotels I have ever stayed in - absolutely loved it !!

The activities : such a great variety and so much to see it is hard to say what I liked best. There is scenery that is out of this world, wildlife that is out of this world, adventure (Swakopmund) that is out of this world, travel by Land Rover and Cessna that is out of this world, dining that is out of this world !!!
