Trip reports:

Kirkman's Kamp was also an excellent choice. The lodge was very charming stepping back in time. We were fortunate to see most species of animals and birds. On our last drive in Kirkman's Kamp, we spent about forty-five minutes in the Sand River bed watching a pack of 23 Wild Dogs...the pups played around our vehicle. The entire staff is warm, friendly, and most attentive...the food was all delicious.

Thank you again,

Marie Clifford and Joe Tarala

The Welgelgen in Cape Town was conveniently located and Fiona and the staff could not have been more helpful and informative. She booked us at the Black Sheep Restaurant for our first night's dinner and the food was amazing. I never had Kudu before so I decided to try it. It was superb. Based on your recommendation, the second night we had dinner at the chef's table at the Nelson. Again, a wonderful experience. We had the chance to discuss the meal with the chef and at the end they presented us with a plate with "Happy Anniversary" written in icing. Truly memorable.

Our trip was awesome thanks to you. Plans flowed flawlessly as we were met always (as promised) by helpful, courteous and knowledgeable people at each step of our African journey. The accommodations you helped me choose were excellent. I particularly liked Tanda Tula!

I will recommend your services to all my friends. I want to thank you for your superb arrangements and planning. We could just relax and enjoy every moment because we knew that you had planned our trip down to every detail. Thank you.

The trip was outstanding and we had a great time. Kirkman's service, guides, staff, etc. were amazing and a perfect start to our trip. We were blessed with outstanding weather the entire time - there was no animal we did not see (including a leopard in a tree with its kill on the lower branch), no experience we did not get to enjoy (including Table Mountain, Robben Island, Shark Cage Diving, and climbing Lions Head), and no day that we did not have great food and wine. Thanks for you help.

I am totally jet lagged but still on a very high 'high' from the awesome experiences I had on safari. Thank you so much for arranging everything in short order - everything was perfect and amazing!

I enjoyed both Kirkman's and Ngala Tented Camp. I met amazing people both staff and other guests, and saw amazing things at both locations. Finishing off my trip at Ngala was definitely a highlight for me though - I loved the tented camp experience!

Thanks again for everything!

Kind regards,

Willy Drost
