## **Trip Reports:**

So many highlights I want to share with you.

First, our guide in Victoria Falls, Cynthia Moyo, was incredible ! Aside from being hugely knowledgeable regarding the Falls, she was most helpful in all aspects of Zimbabwe. Her people skills were impressive and we loved working with her.

Second, at the risk of being repetitious , Lucija Bellairs was a superb guide and truly cared that we enjoyed our time in Cape Town .We enjoyed all our time with her . Our favorite activity in Cape Town was Table Mountain, the Coastal Drive to The Cape of Good Hope , The Gardens and visiting Simon's Town and learning about Just Nuisance , what a heart warming story. In summary, it would be almost impossible to meet two better qualified , personable guides than Cynthia and Lucija.

At MalaMala , we were most fortunate to have Bruce Missing as our guide---as you know , he is one of the senior rangers and had great tracking skills and knowledge of the animals...MalaMala was the highlight of the trip for us, being novice Africa travelers. Bruce's low key manner was really refreshing. Mention should be made of the general manager at MalaMala, Vusi, who went out of his way countless times to make us feel welcome and comfortable. An exceptional man.

With respect to lodging, we were both very pleased. We had a variety of accommodations as you know. Our favorite , not surprising, was MalaMala and Ilala in Victoria Falls . The Welgelegen was really comfortable and near 4 very good restaurants , right around the corner----how convenient.

The trip went very smoothly and for that we thank you and your excellent Staff who made the trip seamless and without any major bumps in the road. This simply reflects the expertise of your Company.

Regards,

Malamala was a completely different kind of experience and we loved it too - more distant from the animals (usually; sometimes they appeared at our door) and more sophisticated. The lodge was lovely - more elegance than we had expected. The tracker (Mike) was also excellent and very interesting - he found us everything we asked for and surprised us with the wild dogs one day, but always we ended up with the lions.
