Trip Reports:

We have been to Hwange four times, including this month. The first two times, we stayed at Little Makalolo. Last year, we tried Davison's, and fell in love with this camp. Themba and Bee, the managers, are so warm and friendly, but also efficient and responsive! We consider them to be our friends. They have a small staff that works so well together, you never realize how few staff there are. All of the people seem determined to give us a grand time and they did. The game viewing was very good, the meals were fabulous, the housekeeping was excellent, all in all, an experience we will not soon forget. Our guide, Dickson, came over from Little Makalolo to guide us. We had six super guides on this trip, but our return safari with Dickson, proved to be the best! Dickson Dube is so humble, so experienced, so knowledgeable, but fun at the same time. We enjoyed every minute with him. We walked with him, spent all day in the bush, laughed with him and left wishing we had another day at this camp with Dickson...

Everything was wonderful

- Everything went well
- Ilala Lodge was delightful! We walked everywhere, to the falls, to town and to the Victoria Falls Hotel
- We loved all three safari camps – Kanana, Okuti, Shinde
- Best animal sighting: 7 lions and 27 giraffes on one game drive (at Okuti)
- Activity at Kanana quite good, they saw dogs
- All the facilities and food in the camps were outstanding
- The people of Africa so sweet and gracious
