Private Naturalist Guides in Tanzania - Our carefully selected group of naturalist guides bring an excellent knowledge of the areas you will visit and have built up an excellent camaraderie with our clients over the years. As you spend several days with the same guide, you maximize seeing and doing “everything” and come away at the end of a trip with “a friend for life”. The naturalist guides that may lead your trip include Samwel Girwawe, Servuli Patrick Harri or Wilson Urrio.

Trip reports –

We had an amazing trip. I can't compliment you enough. Your planning and attention to detail was perfect. Every place that we went the handoffs and pickups were precise, friendly and reassuring. It seems like that each time we landed at an airport/ air strip there were some tourists looking bewildered and wondering where their contact was. Not us; someone was literally waiting for us and grabbing our bags. The logistics were flawless.

The Lemala Ngorongoro Camp's location is perfect. Literally minutes to the bottom of the crater (and you avoid the hellish other roads that lead in out of the crater). Staff at the camp was really nice and at times very funny (particularly the Maasai men who provided the night time security).

Terry Murray

Lemala Kuria Hills: Gorgeous and luxurious. Enjoyed the rooms, plunge pool and dining. Arusha Coffee Lodge: very comfortable, accommodating and a great place to recoup and shower. Good food.

Overall, we had an amazing time and are still digesting the surreal wonder and majesty of what we were able to experience from the landscape, people and the wildlife. It was incredible. We would definitely use/recommend your services as we felt very well cared for and overall well curated to our desired goals. Thanks for all that you do!

Nadya Ramsaroop
