LAUNDRY/LUGGAGE WEIGHT

- Laundry can be done daily at most camps and lodges, weather and water availability permitting. In many smaller camps this service is free. Larger lodges and hotels charge the equivalent as in the U.S. The camp staff may not wash ladies underwear (due to local traditions and customs) but you will have facilities in your room to do it yourself.
- There are usually luggage weight restrictions on most safari programs due to charter flight transfers. This will be outlined in your personal itinerary. Soft-sided luggage is required if traveling on any scheduled charter flight transfers.

ADDITIONAL PACKING LISTS

- Gorilla trekking
- Mt. Kilimanjaro Climb
- Pack for a Purpose
