

Thank you for making perfect arrangements for our safari.

Our adventure was beyond our expectations. We have so many favorite moments it's difficult to choose. Upon arrival in Cape Town, Table Bay Hotel welcomed us with champagne, flowers and a delicious anniversary cake.

Our Phinda stay was fantastic. When we were checking into our suite nine elephants strolled by our deck, and two days later an elephant was drinking from our pool. Our tracker and ranger were relentless in tracking the animals on all drives.

Kirkman's Kamp was also an excellent choice. The lodge was very charming stepping back in time. We were fortunate to see most species of animals and birds. On our last drive in Kirkman's Kamp, we spent about forty-five minutes in the Sand River bed watching a pack of 23 Wild Dogs...the pups played around our vehicle.

The entire staff is warm, friendly, and most attentive...the food was all delicious.

Thank you again,

The trip was outstanding and we had a great time. Kirkman's service, guides, staff, etc. were amazing and a perfect start to our trip.

MalaMala: We loved it. The animals, the scenery, the lodging, the food, the service... They were amazing to us - and our ranger Dave was phenomenal. We loved the history of the place & the old school vibe. And of course, the game viewing was fantastic.
